

The German Sport University Cologne, Institute of Psychology (Prof. Dr. Dr. Markus Raab) announces the availability of a tenured position starting from 15<sup>th</sup> of September 2021 on as

### **Lecturer (w,m,d)**

The position will be a full-time (100%) Lecturer position, with a regular weekly working time of 39 hrs and 50 minutes.

The [Department of Performance Psychology](#) belongs to the active research groups in the field of sport psychology. The department and lab language is English. The department puts its several laboratories and technical support at disposal and offers the opportunity to further develop one's own scientific profile.

#### **Tasks**

- German- and English-language teaching in the field of sport psychology, research methods and research design both in the Research Master Psychology in Sport and Exercise and in other Bachelor/Master programs
- Independent conception of lectures, seminars and tutorials
- Development of the main research focus on movement science, especially motor science; or neuroscience in the context of sport and exercise; or on research methods
- Publication of scientific papers in peer-reviewed journals
- Acquisition of research funding
- Development of a scientific cooperation network
- Supervision of theses (Bachelor and Master theses) as well as invigilating exams
- Participation in the administration of the Department of Performance Psychology

#### **Required are**

- A completed academic university degree (Master degree) in psychology, sports psychology or sports science
- A completed PhD; or other scientific merits  
An elite sport performance, preferably international, may be recognized as an achievement in lieu of a doctorate.
- A strong interest in conducting scholarly work and research in the field of sport and performance psychology
- Experience in obtaining external funding from national and/or international research agencies
- Experience with movement science methods, especially eye movement and movement analysis, or neuroscientific methods, e.g. EEG/TMS
- Experience with programming, e.g. Matlab, R
- Very good qualifications and experience in the area of university teaching and the supervision of Bachelor, Master, and eventually co-supervision of PhD theses
- Excellent written and spoken English
- Knowledge of German is an advantage, otherwise learning the German language will be a prerequisite
- Willingness to learn, strong initiative and a high degree of commitment
- Ability to work in a team, flexibility, resilience and willingness to help colleagues

#### **Expected are**

- Experience in professional research activities (e.g. presentations, membership in scientific associations, review experience, cooperation partners)
- Experience in e-learning

The applicant with the required qualifications will be remunerated in accordance with 13 TV L / TVÜ-federal state. Further information on the salary can be found [here](#). The level assignment takes place under consideration of the personal professional experience.

The position is associated with a teaching obligation of 13 teaching hours per week, in accordance with the NRW teaching obligation regulation.

As a matter of principle, positions are also filled on a part-time basis, unless there are compelling service-related reasons to the contrary in individual cases.

The German Sport University Cologne aims to increase the proportion of women. Applications from qualified women are therefore expressly welcome. Women are given preferential consideration in accordance with the State Equal Opportunity Act.

Applications from people with disabilities are welcome. They will be given preferential consideration within the framework of the legal dispositions.

The German Sport University Cologne supports its employees in balancing family and career.

Please send the application to the Personal Department (Dept. 2.2) of the German Sport University Cologne until the **07.07.2021** under the following address: [bewerbung@dshs-koeln.de](mailto:bewerbung@dshs-koeln.de), with reference to the code **2130-LfbA-Psychologie**.
